THE CATHOLIC COLLEGE YOUTH MINISTER SERVICE PACKAGE

CATHOLIC COLLEGE

YOUTH MINISTER SERVICE

Purpose

To provide Catholic Colleges with qualified Youth Ministers to work within the Campus Ministry Faculty, providing opportunities and structures supporting the faith development students.

Youth Minister's Role

Inherent in the role of Youth Minister is the desire and willingness to respectfully build relationships with teenagers. At the heart of these relationships is the openness of the youth minister to share their faith journey and experiences and to companion the teenager as they develop and mature in theirs.

The youth minister will work to create an environment and develop activities that attract and inspire teenagers to grow in their spiritual identity and understanding of faith in an atmosphere that is safe, transparent and non coercive.

The youth minister will contribute to a range of experiences in prayer, liturgy, service, justice, and sacramental preparation that will assist a young person to grow in their relationship with God and put their faith into practice.
